Land with registered building

This land is located in a beautiful picturesque location with easy access to roads close to restaurants and town, this would make a great property for someone wishing to start up a tourism business of any kind would be great for cycling off road bikes, buggies ect as the location is great for any adventure type sport or road bikes. Also would make an ideal garage or turn into a stable for an equestrian property, small farm, orchard the possibilities are endless .

The property has two rural constructions, a warehouse of solid block construction which contains the electronics for the functioning borehole and an automated irrigation system, although the water pipes would now need replacing.

The second listed rural buildings are two pigsty's at the back. There is a Borehole and septic tank and a Lake
